

GFS&T CLUB PARTY FORM

All parties are defined as a gathering where a member family is hosting an unsponsored event that includes providing food/drinks, and/or using tables or a specific area for their guests. All parties are limited to 15 people, and multiple families may not join together to host one event.

The bottom part of this form must be completed and submitted at least 72 hours in advance of your requested date. All parties must be approved and scheduled with the GFS&T Social Coordinator. Please include your 2nd and 3rd choices in case your first choice is not available.

Your account will be billed for the party's fees (see party options below), in addition to any guest fees of \$5.00 for each non-member entering the facility for the party (adult or child, swimmer and non-swimmer).

For the safety and consideration of all GFS&T members, the following guidelines will apply to all parties hosted:

- **All parties shall be limited to 15 persons**
 - A list of all non-members will need to be emailed to Social Coordinator at least 48 hours prior to the day of the party
- **All parties are limited to 3 hours**
 - This time includes set up and clean-up of your reserved area
- **All party attendees must abide by all pool rules and restrictions**
- **GFS&T Staff will set-up a designated area for your party's use**
 - Your reserved area might only be available during your allotted time due to other parties being scheduled before or after
- **Party host is expected to remove all paper goods, cups, balloons, etc. at the end of the party and place them in the trash receptacles or a fee will be accessed**
- **No glass is allowed on the pool deck or grass area**
